## MARVEL UK HITS 21

1993 MARKS MARVEL UK's 21st ANNIVERSARY of publishing comic books, and already the year is proving to be our most successful and exciting to date! Arundel House, the townhouse base for Marvel UK's offices and studios, has been attracting a lot of media interest over the past few months. Set in the heart of London, on the very banks of the River Thames, Arundel House has been the scene of several TV profiles. In particular, London Weekend Television's **Opening Shot** documentary series, which took a detailed look at the work of Marvel UK. Featuring both the Marvel New York and London offices, **Opening Shot** zeroes in on such comic book luminaries as Stan Lee, **Paul Wemyr**, **Liam Sharp**, **Bobbie Chase** and **Andy Lanning** for comments on Marvel UK's operation and progress.

**Opening Shot** will be showcased coast-to-coast across the US, this Autumn, on Bravo Cable. A definite don't miss!
